

## A message from Liz Finney - Chair

**With the ride season well underway, the clocks changed and some fantastic weather, good luck to you all with your ride plans for the 2019 season.**

We have some good group rides to look forward to and are so grateful to our ride organisers and the members who help at the rides to make these events happen. Please contact ride organisers if you can help at a ride and, for the those taking part, please get your entries in early!

Good luck!  
Liz
